*The Family Volunteer Organization assists with volunteer efforts and fundraising at St. Elizabeth School. The FVO is an official committee of the Advisory Council and works in collaboration with Advisory Council members and the principal. Through its activities and events, the FVO promotes community and fundraising activities for the benefit of the School's operational needs. All families and friends of families in our school and church community are part of the FVO through their volunteer efforts. In the spirit of cooperation and commitment, all families are expected to contribute at least 25 volunteer hours to the School each year.
