St. Elizabeth Catholic School to Host Open House for New Students November 14, 2006.

Dallas, Texas, October 25, 2006 – St. Elizabeth Catholic School will host an Open House for new students in PreK-4 through 8th grade on Tuesday, November 14, 2006 from 9:00 am to 2:00 pm. Tours of the school will be conducted by school parents and 8th grade students. Prospective parents have the opportunity to meet teachers and administrators and view classes in session. Refreshments will be served as well.

Principal of St. Elizabeth Catholic School, Christina Clem explained, "Parents are already beginning to research where they will send their children to school next fall. So we felt it important to provide them with this early opportunity to get to know our school up close and personal and to learn first-hand what an outstanding education parents can provide for their children here at St. Elizabeth School."

St. Elizabeth Catholic School is a co-ed school, but when enrollment numbers permit, the 6th through 8th grades are same-gender classrooms. The curriculum includes instruction in religion, reading, English, social studies, mathematics, science, physical education, art and music. Computer science is taught in grade seven, but all students receive instruction in technology.
